

DIY Bleach Based Solution

Instruction Guide

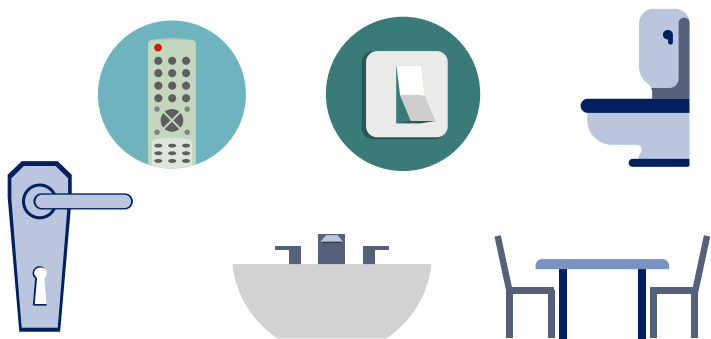

1. TAKE BLEACH

2. MIX WITH WATER

3. SPRAY OR WIPE HIGH TOUCH SURFACES

4. KEEP WET FOR FULL CONTACT TIME

OTHER IMPORTANT NOTES:

- **Never** mix household bleach with ammonia or any other cleanser!
- Smaller batches of bleach solution: 4 teaspoons bleach per quart of water.
- Ensure proper ventilation in room when mixing bleach solution.
- Bleach solutions can stain clothing and other materials.
- Clean surfaces using a detergent or soap and water **prior** to disinfection.
