

## **PRESS RELEASE**

### **University Dr. Bridge Over I-75 CLOSED**

University Drive over I-75 will be closed beginning late afternoon on Friday, January 17, 2014.

Associated closures:

- WB University loop ramp to SB I-75
- EB University loop ramp to NB I-75
- I-75 Exit ramps to University will be restricted to only through movement or right turns onto University Drive
- Additional traffic restrictions may be necessary between Opdyke Road and Cross Creek Parkway

MDOT bridge inspectors have discovered a critical condition with the beams on the bridge that carries University Drive over I-75. It has been determined that it is necessary to close University Drive over the freeway to traffic until temporary supports can be installed. **It is anticipated that this closure will remain for approximately one week.**

MDOT and the Auburn Hills Police Department will send out updated information as it becomes available. These alerts will be sent through our Nixle.com account, Twitter @AHPOLICE, and our Facebook Page.

We urge motorists to avoid the area if possible and plan alternate routes for their commutes.
