On October 6, 2015, at approximately 2:00 pm the Auburn Hills Police Department responded to Home Depot on Joslyn for shots fired. A 46-year-old woman from Clarkston, Michigan was in the parking lot when a Home Depot Loss Prevention person was trying to stop a shoplifting suspect. The suspect got into a dark colored SUV and began to flee. The customer, a concealed pistol license (CPL) holder, fired shots at the suspect vehicle as it fled.

The customer with the conceal pistol license remained on scene and is cooperating with police. The shoplifter(s) fled in a dark colored SUV driven by an African American male in his 40's. The second suspect is a white male 40-50 years old wearing a black shirt with yellow writing on it and a black baseball cap.

The incident was contained to the parking lot. The items stolen from Home Depot were valued at over \$1,000.00.

When the investigation is complete, it will be presented to the prosecutor's office.
