Covid 19 Updates

Mr. Barrier thanked the citizens of Avery County for following the Governor’s orders to stay at home. Right now the only defense we have is prayer and social distancing. We came up with a motto a few years ago “Together we are Avery County” and this virus has put that phrase into action. Together we will step up, together we won’t give up, together we are determined, together we are strong, together we will beat Covid 19, together we won’t be scared and together we are Avery County. The latest information on Covid 19 is posted on the Avery County website. As of today, we have no cases of coronavirus in Avery County. We have tested 52 people; 43 negative and 9 are pending. The counties top priority is the safety of our citizens while providing the best service that we have been accustomed to. Mr. Barrier thanked the different departments involved in this situation.

Avery County has set up a call center. The number is 828-373-0091. All of the information is available on the Avery County website.

**Budget Amendment**
The Avery County Jail medical expense line item will need to be increased $75,000 due to higher than anticipated medical expense.

The original budget number is $115,000. In February we had nearly $31,000 and then in March we had $48,000 and it puts us over budget about $44,000. I think it would be wise to bump up to $75,000. This may be sufficient and may not be sufficient.

Wood Hall Young, Jr. asked if there was anything that could be done to keep those costs down. Mr. Greene said we do have Prime Health that negotiates our bills but while an inmate is in our custody we are responsible for the medical expenses. Probably out of this year $30,000 to $40,000 was from the 2018/2019 year. Chair Hicks asked if there was any way that we can do this quarterly. Mr. Greene said we are at the mercy of the health providers. Mr. Young questioned if Avery County paid Prime Health and were they worth what we pay them. Mr. Greene said yes they are. Prime Health came through the NC Sheriff’s Association. Dennis Aldridge asked if they are paid for their services and is this in addition to what is going on to the health providers. Mr. Greene said no this is being passed through to the providers.

Motion by Blake Vance and second by Tim Phillips to adopt the Budget Amendment in the amount of $75,000 for jail medical expense with a debit of $75,000 to Medical Expenses (105200.8000) and a credit of $75,000 to Fund Balance-Appropriated (103990.0000). Motion passed 4 to 1. Tim Phillips; Dennis Aldridge; Wood Hall Young, Jr.; Blake Vance—Aye; Martha Hicks—No.

Motion unanimously approved (5-0). Hicks—Aye; Phillips—Aye; Aldridge—Aye; Vance—Aye; Young—Aye**

**County Attorney Report – Michaeelle Poore**

**WHEREAS**, on 18 March 2020, Congress passed the Families First Coronavirus Response Act (the FFCRA); and

**WHEREAS**, part of this FFCRA provides for paid sick leave (Emergency Paid Sick Leave or EPSL) to eligible employees under certain circumstances; and

**WHEREAS**, the FFCRA adds a new category of qualifying reason for FMLA leave for specified reasons related to COVID-19; and

**WHEREAS**, the Board finds that the FFCRA impacts the Avery County Personnel Policy; and

**WHEREAS**, the Department of Labor is still issuing guidance on the requirements for the Act and the law is fluid as to the implementation of the requirements of the FFCRA; and

**WHEREAS**, the County has provided information to County employees regarding the benefits provided by the FFCRA; and

**WHEREAS**, the Board desires to grant the County Manager the authority and flexibility to implement the requirements of the FFCRA, including the authority to implement any changes or guidance issued by the Department of Labor; and

**WHEREAS**, Board desires that the following be implemented as part of the Personnel Policy:

I. FMLA

Under the **Families First Coronavirus Response Act (FFCRA)** a new category of qualifying reason for FMLA leave is added for specified reasons related to COVID-19.
Eligibility
All employees (full-time, part-time, seasonal) who have worked for the County of Avery for at least 30 days prior to the designated leave are eligible for Emergency Family and Medical Leave. This does not change the eligibility requirements for regular FMLA leave.

New FMLA Qualifying Reason: Lack of Child Care Due to COVID-19
The Emergency FMLA Act amends the Family and Medical Leave Act (FMLA) of 1993 by:
• Adding a new qualifying reason that provides 12 weeks of leave when an employee is unable to work (or telework) due to a need for leave to care for the son or daughter under 18 years of age of the employee if the school or place of care has been closed, or the childcare provider is unavailable due to an emergency with respect to COVID-19 as declared by a federal, state, or local authority;

• A “childcare provider” under the Act is defined as one who provides childcare services on a regular basis and receives compensation for those services. It excludes the situation where a family member has been providing childcare and is no longer available.

• Leave taken under the Emergency FMLA Act is paid leave after a 10-day waiting period; an employee may choose to use accrued leave for the 10-day waiting period. In no instance can the County require the employee to use accrued leave during the waiting period.

• After the 10-day period, the County is required to pay full-time employees no less than two-thirds the employee’s regular rate for the number of hours the employee would otherwise be normally scheduled. The new Act limits this pay entitlement to $200 per day and $10,000 in the aggregate per employee; employees who work a part-time or an irregular schedule are entitled to be paid based on the average number of hours the employee worked for the six months prior to taking leave; employees who have worked for less than 6 months prior to leave are entitled to the employee’s reasonable expectation at hiring of the average number of hours the employee would normally be scheduled to work.

• The regular rules under the FMLA will apply to job reinstatement. The County has the same obligation as under traditional FMLA to return any employee who has taken Emergency FMLA leave to the same or equivalent position upon the return to work;

Leave Rules
• Employees are still limited to a total of twelve weeks of FMLA leave within a 12-month period for all reasons combined.
• Employees who have already used up their FMLA allotment for the year are not entitled to emergency FMLA leave.
• As with regular FMLA leave, where the need for leave is foreseeable, employees must provide the County as much advance notice as practicable.
Requesting Leave
If an employee needs to take emergency FMLA leave, notice shall be provided as soon as possible. Normal call-in procedures apply to all absences from work.

Retaliation
The County will not retaliate against employees who request or take leave in accordance with this policy.

Expiration
Emergency FMLA leave is available only as long as a federal, state or local COVID-19 state of emergency is in effect and in any event only through December 31, 2020. In addition, emergency FMLA leave cannot be carried over after December 31, 2020.

Exclusions
Health care providers and emergency responders are excluded. This includes employees whose services are needed to limit the spread of COVID-19, and includes, but is not limited to, law enforcement officers, the Sheriff, fire fighters, emergency medical services personnel, public health personnel, emergency medical technicians, paramedics, emergency management personnel, 911 operators and public works personnel, and other employees with skills or training in operating specialized equipment or other skills needed to provide aid in a declared emergency.

Note
Provisions under the regular FMLA Act still apply and are available to employees that meet eligibility requirements as it pertains to protected leave because the employee needs to care for a spouse, child, or parent with a serious health condition, or because of the employees own serious medical condition.

II. Emergency Paid Sick Leave

Eligibility
All employees (full-time, part-time, seasonal) are eligible for emergency paid sick leave, except as set out below.

Reason for Leave
You may take emergency paid sick leave if you are unable to work (or telework) because:
1. You are subject to a federal, state, or local quarantine or isolation order related to COVID-19;
2. You have been advised by a health care provider to self-quarantine because of COVID-19;
3. You are experiencing symptoms of COVID-19 and are seeking a medical diagnosis;
4. You are caring for an individual who is subject to an order in subparagraph (1) set out above or are advised to quarantine or isolate;
5. You are caring for a child whose school or place of care is closed, or whose childcare provider is unavailable, due to COVID-19 precautions; or
6. You are experiencing substantially similar conditions as specified by the Secretary of Health and Human Services, in consultation with the Secretaries of Labor and Treasury.
Duration/Compensation
Employees are entitled to:
• **Full-time employees**: 80 hours of pay at their regular pay rate. However, when caring for a family member (for reasons 4, 5, and 6 above), sick leave is paid at two-thirds the employee’s regular rate.
• **Part-time employees**: Pay for the number of hours the employee works, on average, over a two-week period.

Paid leave under this policy is limited to $511 per day ($5,110 in total) where leave is taken for reasons 1, 2, and 3 described above (generally, an employee’s own illness or quarantine); and $200 per day ($2,000 in total) where leave is taken for reasons 4, 5, or 6 (care for others or school closures).

Exclusions
Health care providers and emergency responders are excluded (for reasons 4, 5 and 6 set out above). This includes employees whose services are needed to limit the spread of COVID-19, and includes, but is not limited to, law enforcement officers, the Sheriff, fire fighters, emergency medical services personnel, public health personnel, emergency medical technicians, paramedics, emergency management personnel, 911 operators and public works personnel, and other employees with skills or training in operating specialized equipment or other skills needed to provide aid in a declared emergency.

Leave Rules
You may elect to use emergency paid sick leave before using any accrued paid leave. No leave provided by the County before April 1, 2020 may be credited against your leave entitlement. In addition, emergency paid sick leave cannot be carried over after December 31, 2020.

Requesting Leave
If you need to take emergency paid sick leave, provide notice as soon as possible. Normal call-in procedures apply to all absences from work.

Retaliation
The County will not retaliate against employees who request or take leave in accordance with this policy.

Expiration
This policy expires on December 31, 2020.

WHEREAS, the Board desires to amend the Avery County personnel policy to reflect all changes of the FFCRA once all guidance has been issued by the Department of Labor, but desires to insure that County Employees receive the benefits to which they are entitled;

NOW, THEREFORE, the Avery County Board of Commissioners meeting in regular session on the 6th day of April 2020, RESOLVES to allow the County Manager, in consultation with the Human Resources Officer and the County Attorney, to implement the provisions of the Families First Coronavirus Response Act (FFCRA) as part of the Avery County Personnel Policy and amends the Personnel Policy to the extent necessary to reflect the above provisions for additional FMLA leave and EPSL. The Board further RESOLVES to allow the County Manager, in consultation with the
Human Resources Officer and the County Attorney, to implement the FFCRA based upon guidance as issued by the Department of Labor.
