We greatly appreciate your interest and participation in the municipal government process.

Mayor and Board of Trustees
Town of Carbondale

Town of Carbondale Environmental Board

350 Roaring Fork,

On behalf of the Town of Carbondale Environmental Board, we would like to congratulate you on your successful Stop the Uinta Basin Railway demonstration in Glenwood Springs on December 10. We understand 50 protesters showed up, a fine turnout for a brisk December day.

Our environmental consciousness can't imagine anything more treacherous than ten two-mile long trains pulling heated oil tanker cars through Glenwood Canyon and other environmentally sensitive areas each day. On top of that, the increased production in the Uinta Basin would result in an additional 53 million tons of carbon dioxide released into the atmosphere at a time when science is telling us we must restrain all greenhouse gas emissions to avert a climate catastrophe.

Thank you for your activism. If there's anything the Environmental Board can do in support of your efforts, please advise.
