To: Various Civic Organizations
(Located within the County)

From: Carroll County Administrator's Office

Re: Roadside Litter Control Project 2023

The Carroll County Board of Supervisors have approved the yearly Roadside Litter Control Project for 2023. The program will run March - April this year. Our hope is that this will give you a better opportunity to pick up trash before the grass starts to grow!

The Carroll County Board of Supervisors truly appreciates the efforts of all organizations that participate in this program. The grant for this program was received this year, and funds will be distributed after the June Board meeting.

A limited number of collection bags may be picked up at the Carroll County Administrator's Office beginning mid-March.

The attached form may be used to report the efforts of your organization. Pictures are very helpful, so if you can, please take pictures and send them with your report form. The pictures are used when applying for funds for next year's program. As you know, the campaign is based on whether or not we are awarded funds to promote the project from the State. If you have any questions, please call the County Administrator's Office at 276-730-3001.

CARROLL COUNTY ROADSIDE LITTER CAMPAIGN
