

Application for Plan Commission / Zoning Board of Appeals Review
Special Use Permit Findings of Fact

Article 3, Section E, Part 6 of the Village of Frankfort Zoning Ordinance lists “findings” or “standards” that the Plan Commission must use to evaluate every special use permit request. The Plan Commission must make the following seven findings based upon the evidence provided. To assist the Plan Commission in their review of the special use permit request(s), please provide responses to the following “Findings of Fact.” Please attach additional pages as necessary.

1. That the establishment, maintenance or operation of the special use will not be detrimental to, or endanger, the public health, safety, morals, comfort or general welfare.
2. That the special use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood.
3. That the establishment of the special use will not impede the normal and orderly development and improvement of the surrounding property for uses permitted in the district.
4. That the exterior architectural appeal and functional plan of any proposed structure will not be so at variance with either the exterior architectural appeal and functional plan of the structures already constructed, or in the course of construction in the immediate neighborhood or the character of the applicable district, as to cause a substantial depreciation in the property values within the neighborhood.

5. That the adequate utilities, access roads, drainage and/or necessary facilities have been or are being provided.

6. That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.

7. That the special use shall, in all other respects, conform to the applicable regulations of the district in which it is located, except as such regulations may, in each instance, be modified by the Village Board, pursuant to the recommendations of the Plan Commission.
