

CHILD SAFETY SEAT INSPECTION PROGRAM

Statistics show that on average, 90 to 95 percent of all child safety seats are installed incorrectly, leaving children virtually unprotected. In an effort to respond to this alarming fact, the Justice Police Department offers free child safety seat inspections and/or installations at the Justice Police station located at 7800 S. Archer Road.

Call **(708) 458-2192** to set up an appointment with **Officer Tony DeBella**, a certified child safety seat technician.

Residents and non-residents are welcome. This is an ongoing program which the police department offers. For more information, on child safety, please visit the NHTSA (National Highway Traffic Safety Association) at www.nhtsa.dot.gov or call the Department of Transportation / Auto Safety Hotline toll-free at **1-888-327-4236**.
