Working Fires - 7
 Trauma Alerts - 16
 Extrication Upgrade - 3

Unit Types:

- R-Rescue (Transport capable "ambulance")
- ME-Medic Unit (Non-Transport SUV)
- E- Engine
- S- Squad (Heavy Rescue, Air and Lighting)
- T-Ladder Truck (100' or 75' Aerial Device)
- D-District Chief (Shift Commander)
- LR-Rescue Lieutenant (Emergency Medical Services Supervisor)

*Unit Hour Utilization refers to the amount of time emergency response units are assigned to or involved in an incident or call for service, it is measured as a percentage.

**7:30 response compliance refers to first unit on scene only, not full compliment for ISO.

Training and Development

On a monthly basis, personnel participate in a number of fire related training events. The following is a breakdown of the monthly topics and hourly totals:

May Training Hours		April Training Hours	Year to Date (2021)
Driver/Operator	366 Hours	497 Hours	1,150 Hours
Fire Officer	147 Hours	105 Hours	385 Hours
Fire Company Operations	1,369 Hours	1,572 Hours	6,329 Hours
Hazmat	110 Hours	197 Hours	536 Hours
EMS	420 Hours	390 Hours	1,231 Hours
Tech Rescue	90 Hours	2 Hours	223 Hours
SWAT Medic	61 Hours	92 Hours	195 Hours

Public Education

This month Largo Fire Rescue teamed up with the American Red Cross to install free smoke alarms in the East Bay Oaks and El Dorado Village Manufactured Home Communities. Smoke alarms were installed in 36 homes, and 62 residents created their family home fire escape plans.

Outreach efforts for the month of May also included a water safety kit and life jacket giveaway at High Point Elementary and fire engine demos for a Cub Scout Pack and for students at St. Patrick's Catholic School and Little Packers Preschool.

Public Educator, Summer Mahr also co presented with a panel of colleagues from the National Fire Protection Association at the International Association of Fire Chiefs' Community Risk Reduction Leadership Virtual Conference. During this presentation, Summer highlighted the different features of the NFPA's Community Risk Assessment Toolkit, and how the toolkit was used to plan community risk reduction efforts within the Largo Fire District using high fire incident response data, language isolation and median household income data.

Total number of contacts for the month of May is 285, and there were 110 smoke alarms installed.

Staffing Update

For the month of May, Fire has experienced a total of 1,889.75 hours of overtime. Minimum staffing accounted for 1,160.50 hours of the overtime at a cost of \$44,140.18. Special events, department committees, and training account for the remainder of the overtime assignments.

Factors related to Minimum Staffing	
Vacancies	2 PMs, 2 EMTs
Workers' Compensation	3 Employees
Light Duty	5 Employees
FMLA	552 Hours / 9 Employees
*Sick leave and FMLA does not always trigger a need for overtime to meet minimum staffing requirements.	

Life Safety

False Alarms 05/2020-05/2021

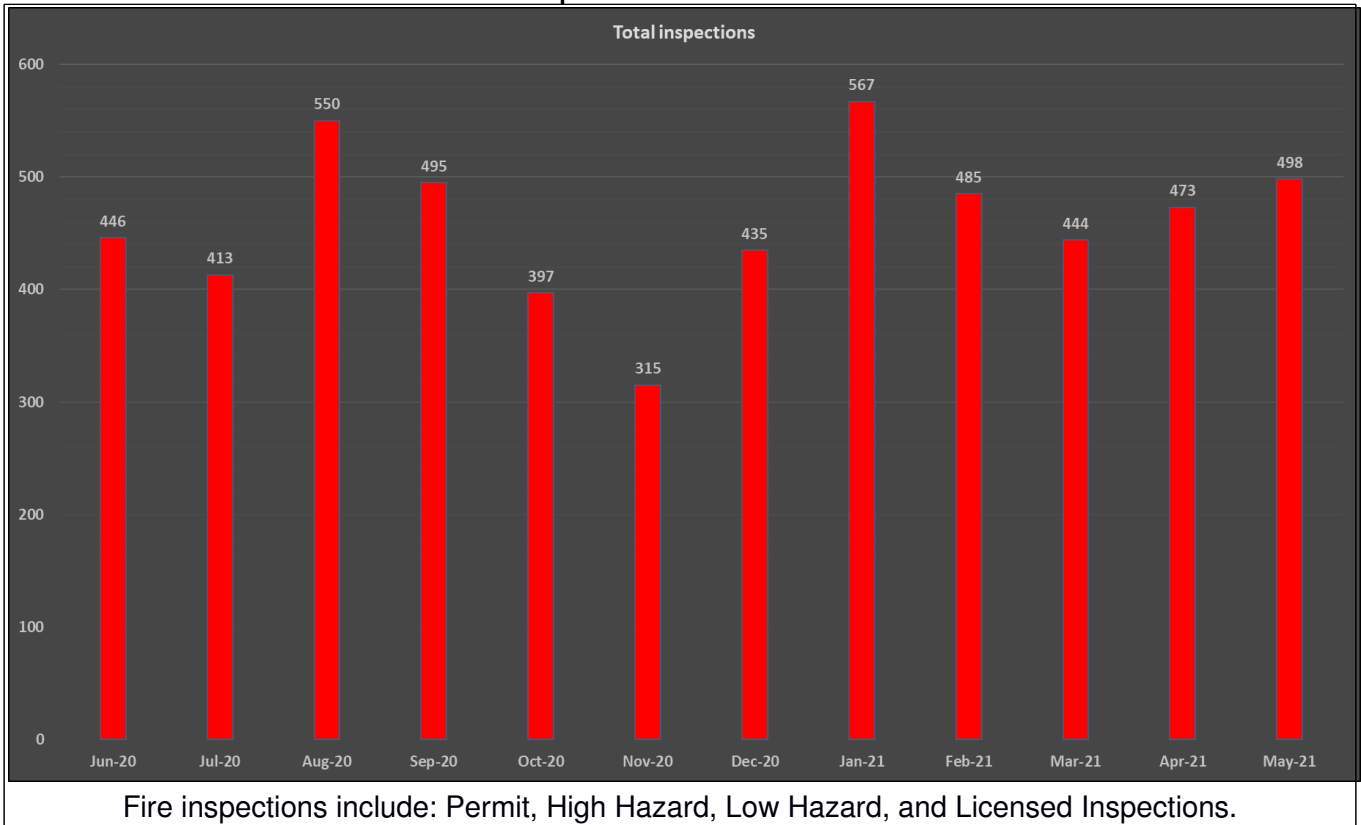

*Due to NFIRS reporting guidelines, false alarm statistics are only available one month prior to date of report.

- **Malicious, Mischievous False Calls** – Intentional manual activation of the system for reason other than a true emergency. (Prank phone calls, activated fire alarm pull station when no emergency exists.)
- **System Malfunction** – System activated due to improper system performance. Activated by a

malfunctioning device.

- **Unintentional** – System activated due to testing, maintenance, or power trip. Could include dust from construction.
- **Other False Alarms** – Bomb scare or unjustified alarm.

Fire Inspections 06/2020-05/2021

New Construction Re-Model Plan Reviews 04/2020-05/2021

Turnaround is based on business days, excluding holidays.
