NEWS RELEASE

“Access Northglenn” With New App Report Issues or Contact the City

April 27, 2018 – The City of Northglenn introduces our new mobile app: Access Northglenn.

This free tool provides residents with better access to city services. Through Access Northglenn you can pick a topic, search our directory, ask a question, report an issue, or give feedback to the city. Want to report graffiti or a pothole? Simply take a picture and send the request directly to the correct city department. Your request is confidential – other residents will not be able to see it.

Access Northglenn also helps city staff manage the resolution process and provide you with timely updates.

The app is available at the iPhone App Store and Google Play (search for “Northglenn.”)

Northglenn, Colo., is a city of 38,648 residents that is located 13 miles north of downtown Denver.
