## Clients & Referrals

Referral Source	Total Referrals	PEH	Total Referrals	PEH Referrals
		Referrals	Year-To-Date	Year-To-Date
Police Department	32	15	134	49
Municipal Court			14	8
Code Enforcement			18	
Self	41	27	314	213
Community	2		5	
Totals	75	42	485	270

**Police Department:** CRU accepts referrals that deal with mental health, high utilization of the 911 system, housing stability, or crisis that does not rise to criminal or safety matters.

Municipal Court: CRU accepts referrals for people who are having a hard time becoming court compliant.

**Code Enforcement**: CRU accepts referrals for people who are having a hard time becoming code compliant due to underlying factors such as health, mental health, limited financial means, or other unique circumstances.

**Self**: CRU works with residents of Northglenn who reach out directly to CRU for assistance.

**Community:** CRU works with many community organizations. Sometimes a referral comes from North Metro Fire, schools, hospitals, probation officers or other people working with Northglenn residents who need assistance.

Clients are broken down by number of referrals per source and then further to show how many of the referrals were for people experiencing homelessness.

Friday Office Hours Attendees: 90 \*Approx. 25/week

Crisis
Calls: 126

The Crisis Response Unit works to ease hardships for Northglenn residents by aiding police response and creating a path for self-advocacy through on-scene crisis response, case management and conflict resolution.
