### **Bike Repair Station Installed at E.B. Rains Jr. Memorial Park** Tools Available for Common Repairs

Northglenn, CO – Riding your bike along Northglenn’s many miles of Greenway Trails and notice your tire starting to lose air? Don’t fret!

A bike repair station recently installed in E.B. Rains Jr. Memorial Park, 11800 Community Center Drive, can help riders with common problems.

Some of the features include:

- QR Code leading to a website that shows how to make many basic repairs
- Tools such as wrenches and screwdrivers
- Arms to hang your bike from, making repairs easier
- A pump for low or flat tires

City staff and the HEAL Committee will evaluate usage and feedback to determine if more stations should be installed along Northglenn trails.
