

Town of Riverdale Park, Maryland

Town Administration

TOWN ALERT 4: COVID-19

March 30, 2020

This Alert supplements and amends the Town Alert 3: COVID-19 issued on Monday, March 23, 2020. All conditions of previous Alerts remain except as outlined below:

Department specific changes:

- All previous changes continue. No additional changes at this time.

The following closures, cancellations and/or suspension of services are until further notice and were not listed in the previous Town Alert:

- Mayor and Council Work Session scheduled for March 30, 2020 has been cancelled. Please monitor the Town's website, and social media platforms for information regarding upcoming meetings.
- Centennial Celebration – all events are postponed. The Town has been working with a group of volunteers to plan events commemorating the 100th Year of the Town. A variety of smaller celebrations had been scheduled for April, May, and early June with the large celebration scheduled for June 13th. There are too many uncertainties to keep the current schedule. The Town will work with volunteers and plan to host a variety of events in the summer with the larger celebration in the early fall.

Playgrounds:

- The Maryland-National Capital Park and Planning Commission (M-NCPPC) has now closed all playgrounds and basketball courts under their control. This includes a number of outdoor facilities located within the Town. For more information, visit <http://www.mncppc.org/4823/Coronavirus-Updates>

Additional changes to schedules and services are likely. Please check the Town's website at www.riverdaleparkmd.gov for updates.

END.
