

Town of Waldoboro
Marijuana Committee Minutes
September 16, 2016

1. Call to Order

Attending members: Freeman Zausner, Renee Grover, Surran Pyne, and Max Johnstone on minutes.

2. Scope

Max said the scope was on recommending rules and regulations for medical caregivers with a focus on domicile and non-domicile providers and not on storefronts. Surran wanted to consider establishing rules that beyond what the State of Maine has in place. Renee wanted to have the Committee focus on safety features for both the providers and customers.

Surran wanted to make sure that this Committee does not have conflicts like the previous Marijuana Committee that prevented any work to progress. Freeman and Surran asked about the "3 strikes" attendance rule, noting that two members (Ted Wooster and Amanda Tavernakis) were not in attendance; Max said that the rule is up to the Committee to enforce.

3. Schedule

Surran suggested the 3rd Monday of the month starting at 4:00 pm. Renee and Freeman supported the idea so the meeting could start early and not be dragged out at night.

4. Officers

Surran was concerned she may be biased due to her support for a moratorium on recreational marijuana. Max mentioned that the positions can be temporary if no member is comfortable committing now. Surran volunteered to be the Chair until all 5 members were in attendance to vote. Freeman and Renee supported the suggestion and voted to approve Surran as Chair.
